PHOTOGRAPH REPRODUCTION FEE SCHEDULE

The rates below are for photographs that have already been digitized. If the photograph requested has not yet been digitized, add a $10.00 digitization fee to the prices below.

DIGITAL PHOTOGRAPH REPRODUCTIONS

- $10.00 – Low resolution digital photograph – 150 dpi, grayscale, JPG
- $20.00 – Medium resolution digital photograph – 300 dpi, grayscale or RGB, JPG or TIFF
- $30.00 – High resolution digital photograph – 600 dpi, grayscale or RGB, JPG or TIFF

Higher resolution files may be available for an additional fee. Email archives@valleyhistory.org with inquiries.

PHOTOGRAPH COMMERCIAL USE FEES – PER IMAGE

Please note the fees for our digital photograph reproductions and separate commercial use fees. For example, if you choose an image for display in your office at 300 dpi, the cost would be $20.00 for the digital photograph, and $20.00 for the commercial display use fee for a total of $40.00 per image.

- Office, Restaurant, or Store Commercial Display - $20.00

- 100,000 or more - $75.00

PHOTOGRAPH RESEARCH SERVICE

Upon request, archives staff will search the collections for specified subjects. Email archives@valleyhistory.org for an initial evaluation.

- For an hourly fee, staff will provide a digital contact sheet of images related to a researcher’s request. The fee for photograph research per hour is $20.00 for personal requests and $25.00 for commercial requests.
- Research fees must be prepaid by check, money order or credit card. Fee includes digital contact sheet.
- The digital contact sheet images are intended for research purposes only and are not to be published or reproduced in any medium.

The Fresno Historical Society offers discounts to nonprofit organizations able to demonstrate 501 C (3) not-for-profit status.
